

ZANESVILLE MUSEUM of ART

Zanesville Museum of Art
Docent Training—Ancient Art
Friday, February 17, 2023

“Slow Looking is about attending to visual images in a culture of distraction, specifically extending the six to ten seconds that Americans, on average, spend looking at individual works on museums walls and why that matters.”

| 11:30 am | Wrapping Up and Questions |

Questions to consider?

- Why do you think ancient artists and artisans depicted the human body in their work? How has it changed over the centuries? How was it used?
Civilizations, How Do We Look? Episode 2
<http://www.pbs.org/civilizations/episodes/episode-2/>
- What role does religion play in early western art? Why were religious works omnipresent?
- **What tour themes can be developed using ancient objects?**
